

BECOME A WARRIOR WEEK CORPORATE PARTNER

Our nation's veterans have operated under the highest of callings to serve and protect our country and our freedoms, and we recognize the challenges these Warriors can face once they leave service. Warrior Week provides veterans with the tools, training, and personal insight they need to contribute best in their relationships, work, and family after they get home.

WHAT IS WARRIOR WEEK?

Warrior Week is our signature transition and wellbeing program that reminds veterans of who and what they are once they've hung up their uniform. The goal of Warrior Week is to provide each individual with the tools and training to thrive at home by helping veterans identify and maximize their unique strengths and develop an action plan for moving forward with purpose.

Warrior Week isn't just a program – it's a life-changing experience for our veterans. Warrior Week kicks off with an immersive, high-touch week at Camp Southern Ground. Here, we serve, equip, and increase the wellbeing of veterans by using world-class training to leverage their strengths, to discover purpose and develop a plan to make a difference in their family, workplace, and their communities.
