

Support Our Nation's Veterans

Every year more than 250,000 active duty service members transition out of the military, joining the 3.5 Million post 9-11 veterans already living in communities nationwide. They face many challenges including isolation, weight gain, lack of purpose and decreased wellbeing.

Camp Southern Ground stands side by side with these veterans to support them in life after service. Through our Warrior Programs, we deliver the tools and resources so that they thrive in life, career and community. Join us to support these programs at a special event held at Camp Southern Ground in Fayetteville, GA.
