In 2011, with the belief that his musical talent was given for the purpose of putting more good into the world, GRAMMY award-winning artist Zac Brown purchased 400 acres of farmland in Fayetteville, Georgia and built a world-class facility dedicated to serving youth and veterans.

Our programs are founded on Zac's own experiences and beliefs. Growing up as a camper and then counselor, Zac has seen first-hand that summer camp has the power to transform a child's life. Also a staunch supporter of America's active-duty service members and veterans Zac believes it is our obligation to honor and care for the men and women who have protected our freedom and kept this country safe.

Every year more than 250,000 active duty service members transition out of the military, joining the 3.5 million post 9-11 veterans already living in communities nationwide. They face many challenges including isolation, weight gain, lack of purpose and decreased wellbeing. Camp Southern Ground stands side by side with these veterans to support their wellbeing in life after service.

Through our Warrior Programs, we deliver the tools and resources so that they thrive in life, career and community.

**Team Building:** Form teams with colleagues, friends, or family members for a memorable day of clay shooting.

**Networking:** Connect with like-minded individuals and corporate partners who share a commitment to supporting our nation's heroes.

**Impact:** Your participation directly benefits Camp Southern Ground's programs, providing critical support and resources to veterans and their families.

**Join us for camaraderie and competition at the inaugural Camp Southern Ground Clay Cup, a sporting clay event series benefiting Camp Southern Ground. This event is our chance to come together to honor and support our nation's veterans and their families.**
